

Dear **QUEEN** Elizabeth
thank you for being our Queen!

Thank you!

LINTON ZOO CONSERVATION PARK

RIP QUEEN ELIZABETH II

For us Her Majesty will be especially remembered fondly as an animal lover and a great advocate of the work of zoos, to save species and create a better natural world.

An inspirational figure to many during her 70 years on the throne, from Princess to Queen she enjoyed a lifetime of visits to zoos.

We send our heartfelt sympathy to the Royal Family at this difficult time and our thoughts are very much with them and everyone who feels her loss.

The Queen was an extraordinary person and for so many of us she symbolised joy, inspiration, comfort and continuity. Queen Elizabeth II thank you for your dedication to our country.

Rest in Peace from all the team at Linton Zoo

Gracious God, we give thanks for the life
of your servant Queen Elizabeth,
For her faith and her dedication to duty.
Bless our nation as we mourn her death
and may her example continue to inspire
us; as we at All Saints' include, involve and
inspire one another. Amen.

Everyone at All Saints' remembers Our Queen and her love for Newmarket and the horses especially. We remember welcoming her to Newmarket when she opened the Horse Racing Museum and when one of our ex-pupils presented her with some flowers. Thank you Ma'am for your service and dedication and for setting us all an example of servanthood. Rest in peace.

Daniel.

Phillip came to me today,
and said it was time to go.
I looked at him and smiled,
as i whispered that "I know"

I then turned and looked behind me,
and seen I was asleep.

All my Family were around me,
and I could hear them weep.

I gently touched each shoulder,
with Phillip by my side.
Then I turned away and walked,
with My Angel guide.

Phillip held my hand,
as he lead the way,
to a world where King's and Queens,
are Monarch's every day.

I was given a crown to wear
or a Halo known by some.
The difference is up here,
they are worn by everyone.

I felt a sense of peace,
my reign had seen its end.
70 years I had served my Country,
as the peoples friend.

Thank you for the years,
for all your time and love.
Now I am one of two again,
in our Palace up above.

You will never be

Our Queen

The nation mourns your passing and many shed a tear,
You've reigned over us professionally and filled us full of cheer.
You've joined in celebrations, the happy times and sad,
You've shared your wisdom with the world and let us know you've cared.
The sun is glinting on your crown as you slowly make your way,
A solemn journey from Westminster to Windsor Park today.
Your dashing Prince is waiting, we think you will agree,
It's time to kick your shoes and socks off and finally be free.
After 70 years in service, it's time for your vacation,
Your train leaves soon, at 2.22, from Paddington Central Station.
The stars shine much more brightly now, two brighter than the rest,
As you take your place in heaven, we feel we've all been blessed.
You still look down over us, that green and pleasant land,
Share that brilliant smile with us and gently wave your hand.
You've left your eldest son in charge you've trained him from the start.
Supported by his family, we're sure he'll play his part.
God Bless His Royal Highness Charles, he has big shoes to fill,
But we're sure he'll do his duty now and pledge to us "I Will".

As Town Mayor, it's a great honour to welcome Your Majesty to Newmarket, which is renowned internationally as the headquarters of horseracing.

We have a very exciting programme of events in store for you today to mark your official visit to Suffolk.

First of all, this magnificent bronze statue, which stands before us.

It has taken many years of planning to have it ready for your special birthday year.

Your Majesty is depicted with a mare and a foal, in 1977 – your Silver Jubilee year.

It symbolises your special relationship with Newmarket and the thoroughbred horse.

All the people involved in the project are assembled here today, and I hope that you will have the opportunity to meet some of them. Everybody is honoured and proud that you have been able to come to see their endeavours.

And it also gives me the opportunity to thank them.

The beauty and quality of workmanship, I hope you will agree, is nothing less than stunning.

But as beautiful as it is – it is not yet finished.

One final piece of the jigsaw is missing – for you to breathe life into it, for evermore.

Therefore, may I please invite you Ma'am, to officially unveil the commemoration plaque by cutting the ribbon?

Dear God,

Thank you for our late Queen's life. She was always there for the country and she was a devoted servant to everyone. The Queen is a great role model to everyone and we should all try to be like her; brave, loyal, loving, generous and kind.

Help all the family that she loved so much to get through this tough time and help us to pull together and love each other with the love she showed us.

Help the new King Charles III to be as devoted to the nation as his mother was.

May she rest in peace and finally be reunited with her husband Prince Philip.

Amen.

Dear God

During these sad times, please guide King Charles to be a great king for us. Please help the Royal Family as well because she was the brightest light among them. She was not only a mother, but she was also a grandmother and a great grandmother. So guide those who lost their mother or grandmother or great grandmother. We also pray for England and the Commonwealth because they have just lost their gracious queen.

May Queen Elizabeth rest in peace.

I visited London yesterday to

waiting my turn to say goodbye
to you our Queen. (12 hours was worth it)

I was so pleased that I had my
chance to say goodbye as you were
lying in state in Westminster Hall
as my friend Ann & I did twenty
years ago to say goodbye to your
beloved mother.

you visited the Animal Health
Trust & our daughters gave you
flowers, daffodils hurriedly picked

from our garden as a last
minute gesture. You received
them so gratefully & asked "were
they grown locally" I replied that
they came from my garden but I
didn't say Ma'am for which I
sincerely apologise.

Your son Charles now our King
will be a wonderful King. He is
& will be a caring also loving
to his family especially to Camilla

Rest easy, your

Our Darling Queen,

Our hearts are broken by your sudden passing, two days prior we see you welcome in our new Prime Minister. Forty eight hours later you were gone....

In our hearts you will forever remain, like you have in our families lives from the start.

From childhood to adulthood with cherished memories of our dear Grandparents, Parents, Uncles and Aunts, Brothers and Sisters who also like you have now passed. Good times and Bad times, together we all rode the wave of time.

The time we shall and we have with past family members miss you most, will be on Christmas Day.

Our beloved Queen to meet in the next life, your beloved Philip and family long passed to meet once again.

Our heartfelt condolences to your family and friends who knew you personally. We never met your majesty but you were always there... and will be forever missed.

Vanessa Sharpe

When you gave your annual Speech of the Year gone by. A time when families stopped their chatter and listened intently to your heartfelt words.

Most of all we will miss that twinkle in your eyes and that beautiful smile on your flawless, beautiful face.

We thank you for your promise kept to endeavour to do your utmost for your Kingdom and Commonwealth that you proved way beyond anyone's expectations.

It is now time for us to welcome your beloved Son Charles as our new King, and your country will be behind him and wish him well as our head of Kingdom and Commonwealth.

It is now time for you

Prayer for The Royal Family

Almighty God, source of all consolation,
we pray for the members of the Royal Family who mourn the loss
of Her Majesty Queen Elizabeth.
Uphold them in your love
and pour out on them the consolation of your healing Spirit.
Let them find in your Son, our Lord Jesus Christ,
comfort in their sadness,
certainty in their doubt
and courage to live through this hour.
We ask this through Christ our Lord.
Amen.

Prayer for The King

O God, to whom every human power is subject,
grant to your servant His Majesty King Charles
wisdom in the exercise of his high office,
so that, always revering you and striving to please you,
he may constantly secure and preserve
for the people entrusted to his care
the freedom that comes from unity and peace.

Through our Lord Jesus Christ, your Son,
Who lives and reigns with you in the unity of the Holy Spirit
God, for ever and ever.
Amen.

To Queen
Elizabeth II

**For the happy repose of
HM The Queen**

Almighty God,
You are the author and sustainer of all human life;
grant that your servant, Elizabeth our Queen,
to whom you granted a long and happy reign
as Monarch of these lands,
may be forgiven her sins and rewarded with that eternal life
promised to all those born again
in the water of baptism and power of your Spirit.

Through our Lord Jesus Christ, your Son,
Who lives and reigns with you in the unity of the Holy Spirit
God, for ever and ever.
Amen.

Eternal rest, grant to her O Lord,
and let Perpetual light shine upon her.
May she rest in peace.
Amen.

May her soul, and the souls of all the faithful departed,
through the mercy of God, rest in peace.
Amen.

**Psalm 121
(A Song of Ascents)**

I lift up my eyes to the mountains,
from where shall come my help?
My help shall come from the Lord
who made heaven and earth.

May he never allow you to stumble!
Let him sleep rest your guard.
No, he sleeps not nor slumbers,
Israel's guard.

The Lord your guard and your shade:
at your right side he stands.
By day the sun shall not smite you,
nor the moon in the night.

The Lord will guard you from evil;
he will guard your soul.
The Lord will guard your going and coming,
both now and forever.

**Canticle of Simeon
(Luke 2:29-32)**

At last, all-powerful Master,
you give love to your servant
to go in peace, according to your promise.

For my eyes have seen your salvation,
which you have prepared for all nations,
the light to enlighten the Gentiles
and give glory to Israel, your people.

The Cross in My Pocket

I carry a cross in my pocket,
A simple reminder to me
Of the fact that I am a Christian
No matter where I may be,

This little cross is not magic
Nor is it a Good Luck Charm,
It isn't meant to protect me
From very physical harm

It's not for identification
For all the world to see,
It's simply an understanding
Between my Saviour and me,

When I put my hand in my pocket,
To bring a coin or a key,
The cross is there to remind me
Of the price He paid for me,

It reminds me, too, to be thankful
For my blessings day by day
And strive to serve Him better
In all that I do and say,

It's also a daily reminder
Of the peace and comfort I share
With all who know my Master
And give themselves to His care

So, I carry a cross in my pocket
Reminding no one but me
That Jesus Christ is Lord of my life
If only I'll let Him be.

Rest in Peace
Your Majesty
Thank you for
your service.

Motivator
winning The Derby for you and
all The Royal Ascot Race Club
was an incredible day. I will
never forget you inviting Mike,
Nick & I to Sandringham to see
Motivator when he returned from to
Strat. You were so kind, made us
feel so welcome and showed
us Motivator's new home.
You were so knowledgeable and
really cared for all your horses, everyone
involved in. The team and always ensured
they were well looked after.
Hope you have met up with your wonderful
Prince Philip and our grand parents and
are having a happy relaxed time surrounded
by the family and friends. You
so deserve a rest as you have looked
after us all your life and now it's your time.
RIP Your Majesty and thank you
for everything!
In the very best wishes
Georgia.

Dear Ma'am
Thank you for everything you
did for all of us. You were
simply amazing, gave you all
the entire time and couldn't have
done more. You gave everyone
so much hope, uplifted everyone's
spirits, were such fun and
always got it right! Your
legacy will live on for ever.
Thank you for the wonderful children's
Christmas parties at Ascot, you kindly
asked us to where you gave everyone
so much fun. Thank you for
Sandringham, your horses to train at
Fitzroy and for all your support, fun
and kindness. I will never forget our
special day at Ascot when you so kindly
asked us to lunch at Windsor, sat next to
Prince Philip, talked to The Queen, Mother
and then had the most amazing trip in the
carriage. It was a once in a lifetime
experience and such a special day!

Your Majesty,
Our Queen,
A woman to be admired
